Sally's Mom: How's the jet lag this morning, Sally?

Sally: It's getting there ... I was counting sheep until 2 a.m. last night when I finally fell asleep!

Sally's Mom: You used to do that all the time when you were little!

Sally: That's true, but I wasn't traveling the world as a kid.

Sally's Mom: Well, you had lots of fun in Cambridge anyway. What are these?

Sally: Oh, I was going through the pictures on my camera and I printed some out.

Sally's Mom: What do you want to do with them?

Sally: I was thinking of making a scrapbook about my trip.

Sally's Mom: Great idea! I made scrapbooks all the time when I was your age.

Sally: I think you showed them to me! I love the old photo albums too!

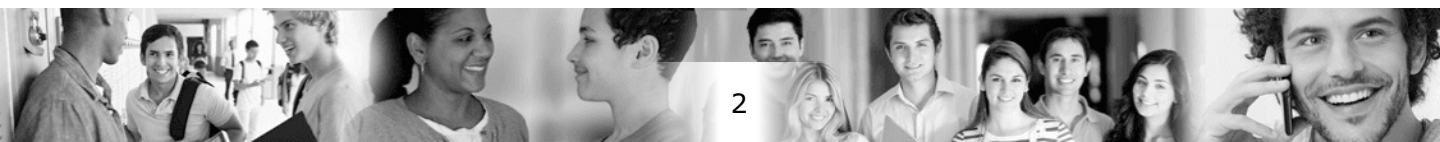

Sally's Mom: Anyway, I want to hear about your travel adventures!

Sally: Look at this one I took in Namibia. We were watching a group of gazelles when a rhino came out of nowhere!

Learning Points

Past Tense and Past Continuous tense

You use the Simple Past tense to talk about events that are finished.

You use the Past Continuous to talk about events or an action that was happening at a time in the past.

Simple Past tense verbs can be regular or irregular.

Regular verbs end in **-ed** or **-ied**.

Irregular verbs change in different ways.

For questions in the past, you use the auxiliary **did** followed by the verb in the base form, like *Did you ask...?*

Did is the past form of **to do**.

For Past Continuous, we add **was/were** + verb **"ing"** to verbs.

Some verbs need a change to the last letter to add **"ing"**.

Present	Past	Past Continuous
talk	talked	was/were talking
count	counted	was/were counting
go	went	was/were going
take	took	was/were taking
travel	traveled	was/were traveling
buy	bought	was/were buying
think	thought	was/were thinking

Examples:

- *I was going through some pictures on my camera and I printed some out.*
- *We were watching a group of gazelles when a rhino came out of nowhere!*
